Claudine's granddaughter Dec. 18-1959
Hello all -

It's been a long, long time
since I've seen you all. I sure
would love to see you. I wish you
could make it to Arkansas. We
are making very long range
plans for a trip out that
way when Walter finishes seminary -
but that's three years. We love
Kentucky, our churches, the seminary
and everything up here. I like being
a "preacher's wife" very much. I
find it very rewarding. Walter is
doing a good job here, too. (Of course,
I'm prejudiced, but I think he's
still pretty good!) How is all of
your family? We are fine. Come
over the very first opportunity.
Lots of love,
Walter, Norma, & I
